# CHAIRMAN'S MESSAGE

Dear Prospective Sponsor and Partner.

Welcome to the Glacis United Football Club Brochure for the 2017/2018 season. I would like to thank you personally for allowing us the opportunity to present you with our sponsorship proposal.

We are a long established social and amateur sports club in Gibraltar and member of the Gibraltar Football Association with representation in the junior and men's football leagues and men's futsal league.

We have a Club policy of fostering sport and recreational activity amongst our youth since the very early age of 5. We also ensure that our older members and players remain active by involving them in veteran's football and futsal events and also provide them with other less physically demanding activities held within our clubhouse. We also participate in community related initiatives, mainly in relation to local charities, and involvement in schools with our football and futsal programmes.

We continue to have faith in our development system and with the recent membership of the Gibraltar Football Association into UEFA and FIFA and the prospect of additional training facilities and the recently announced acquisition of Victoria Stadium, we are certain that we will prosper in our sport.

## CHAIRMAN'S MESSAGE (Contd)

Striving for excellence is one of our main objectives and that is why we want you to be part of our family. As such, we are looking for businesses that would be willing to be associated with us, a club which is forward thinking and community based. We are open to negotiations as to what sections you might be interested in, but we would prefer to have a main sponsor who would cover all our sections and teams for the 2017/18 season and beyond. In return we will help increase your company's/brand awareness and image with the obvious exposure, amongst other things, of the company's name/brand on all our teams' wear, individual team's face book pages and Club website as detailed out in our comprehensive sponsorship packages.

Finally, I would like to take this opportunity in thanking you for taking time to read our sponsorship proposal and look forward to welcoming you to our family.

Stephen Serrano  
Chairman

# OUR VISION

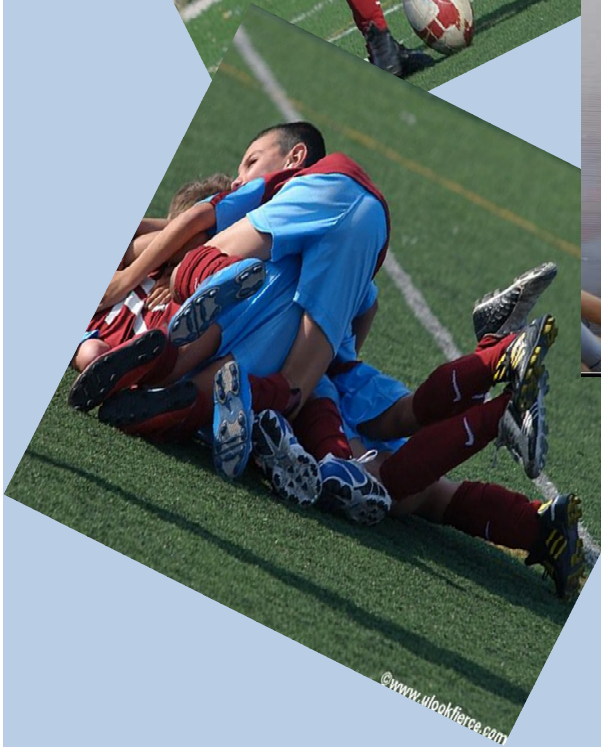

Since the admission of the Gibraltar Football Association into UEFA and FIFA our youth are now facing the challenges from the professionalisation of the game and the greater demand on facilities and space.

With a professional approach, a detailed strategic plan and hard work, we will attract, retain and develop our youth so we can ensure a bright future for them.
